NURSING SERVICES INC.
Safe and Compassionate Care Focused on You

OUR COMMITMENT TO SERVICE

At CANS, we help our clients stay at home and age in place. We do this by providing quality, safe and compassionate care in the comfort of your home.

To help accomplish this, we provide well screened and qualified home makers, nursing assistants, licensed practical nurses and registered nurses in your home

allowing you to be the son, the daughter, the wife and the husband rather than the care giver.

So whenever, give Community Angels Nursing Services a call!
